EMPLOYMENT PRACTICES HELP LINE and Loss Prevention

FREE EMPLOYMENT PRACTICES LIABILITY (EPLI) HELPLINE

United States Liability Insurance Group (USLI) has contracted with PeopleSystems® to provide a Human Resource Help Line free of charge for applicants who purchase an EPLI, Corporate Directors & Officers with EPLI, Medical Providers with EPLI, or Non Profit Directors & Officers with EPLI policy.

The PeopleSystems® Help Line provides toll-free consultation with a team of Human Resource specialists trained to help Principals and Managers respond effectively to their unique personnel issues such as:

- ▶ Wage & Hour regulations
- ▶ Human Rights
- ▶ Sexual Harassment & Discrimination
- ▶ Personnel Policies & Practices
- ▶ Corrective Discipline, Suspension, Termination & Warnings
- ▶ Employment laws including but not limited to: Americans with Disabilities Act, Family and Medical Leave Act, COBRA & Fair Labor Standards Act

ONLINE SEXUAL HARASSMENT PREVENTION TRAINING

In addition, policyholders now have access to an Online Sexual Harassment Prevention Training program at a 50% discount to PeopleSystems® standard rates!

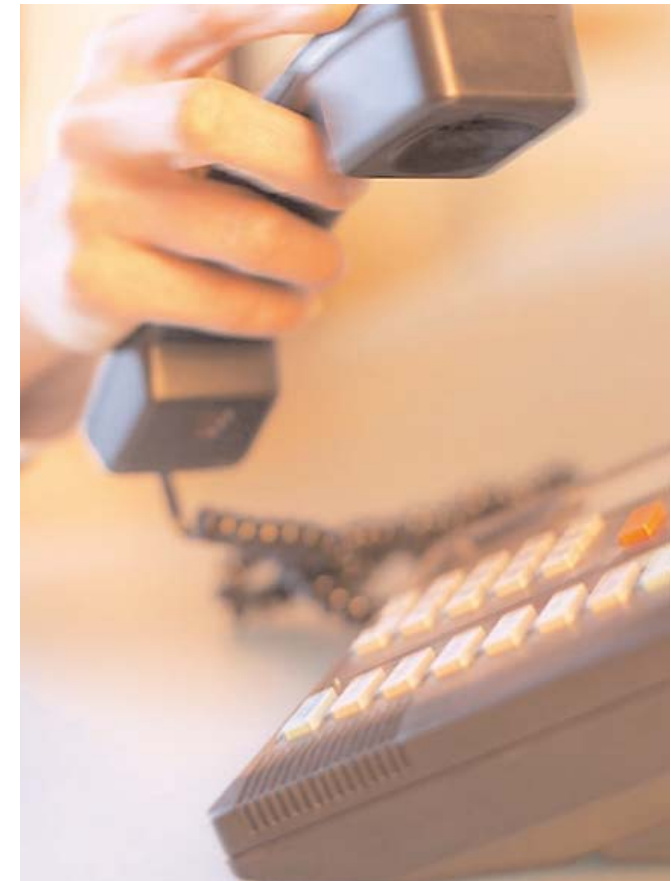

The PeopleSystems® Online Sexual Harassment Prevention Training program satisfies current state mandated training requirements.

- ▶ Currently, California, Connecticut and Maine mandate training which includes what is to be covered and how long an employee must undergo training. Additional states are likely to follow.
- ▶ With the PeopleSystems® program, employers can view the demo at no charge and enroll their managers and/or employees at \$15 per person. Each employee can participate in the program on an individual basis at a time convenient for them
- ▶ This program provides training options for both managers and employees including:
 - What everyone needs to know about discriminatory harassment
 - How to avoid creating a hostile work environment
 - What to do if an employee lodges a harassment complaint
 - Guidelines for investigating such a complaint

PEOPLESYSTEMS® BACKGROUND

PeopleSystems® specializes in providing cost effective personnel support service designed to protect the employer's interest. For more than twenty years PeopleSystems® has provided practical solutions to personnel issues. PeopleSystems® earned an enviable reputation for quality services. The PeopleSystems® family of services are cost effective, and help maximize a firm's most valuable asset - its people. PeopleSystems® provides other human resource services at an additional cost. These are NOT a part the services listed and include but are not limited to: Unemployment Cost Control, Management Seminars and Payroll & Tax reporting.

Use of the Help Line is not considered notice of a claim or potential claim as required under your policy.
